

## Scotia Series Foundations Judge Course

We recognize that the recruitment and training of officials are vital to the sustainability of our sport, especially at the entry level. As such, we have invested in creating a specific officials training program to build a repository of trained NS officials for the NSEF Scotia Series competitions. By offering training and professional development opportunities to interested candidates, our provincial level competitions will be further enhanced by qualified officials.

Our first phase is the training of Scotia Series Foundations Judges and Scotia Series Discipline Specific Judges. As this program develops, the pathway for certification will evolve to reflect these developments. As we continue to develop the program, our aim is to build on its capacity. Our ultimate goal is to have ample, qualified Scotia Series Foundations Judges and Scotia Series Discipline Specific Judges available for Scotia Series competitions by 2021.

At this time, the Scotia Series Foundations Judge Course will be offered in an on-line format. Following registration and payment, you will be granted access to the course.

This on-line course user-friendly and we will support you along the way.
