

NSEF Membership Verification Request Form

The NSEF allows event organizers or clubs (from this point forward referred to as user) to verify NSEF Memberships if required for their event/group. This confidential verification access is given to the user in order to check for the particular purpose which requires a membership and cannot be used for personal or other individuals use. Improper use of this access will result in access being taken away and possible further sanctions by the NSEF Board of Directors.

If you find a member who is Not In Good Standing they must contact the NSEF Office to resolve any items related to this status. The status will be updated in the online verification when it is resolved or proof of the resolution will be provided to the member or verification user if the event/group does not have the online access.

To be given access to membership verification, the user must complete this request form and submit to the Program Coordinator at the NSEF Office (nsefmembership@sportnovascotia.ca or NSEF 5516 Spring Garden Rd, 4th Floor Halifax, NS B3J 1G6).
